Modular solutions

A fully integrated suite of financial and payments products

Reduce costs, grow revenue, and run your business more efficiently on a fully integrated platform. Use Stripe to handle all of your payments-related needs, manage revenue operations, and launch (or invent) new business models.

Apa itu FPX?

FPX merupakan satu kaedah pembayaran online terkini di Malaysia yang diuruskan oleh Malaysian Electronic Payment System Sdn Bhd atau lebih dikenali sebagai MEPS. Ia bakal menjadi elemen terpenting di dalam pembayaran secara ONLINE di Malaysia dalam masa terdekat ini. Ia merupakan satu platform transaksi kewangan secara ONLINE yang menghubungkan antara bank-bank dalam urusan pembayaran melalui internet (multi-bank internet payment).

FPX boleh diumpamakan seperti gerbang pembayaran internet (Internet Payment Gateway) yang membolehkan pembayar menggunakan satu platform yang sama bagi pembayaran secara online bagi bank-bank yang berbeza.

- WhatsApp OTP are still using free version account.
- Panda Cost (** Will revert today **)
